1 Rules

This is a drinking game involving a standard deck of play cards. The game is played with no less than 6 players and no more than 8 players.

1.1 No Pointing

The players must not point with their fingers. Otherwise, they must take a shot as punishment.

1.2 Card Effects

The players take turns revealing a card from the deck. Each card has the following effects;

2s The player must pick another player. Both must take a shot.

3s The player must pick two other players. All three players must take a shot.

4s The player on left of the player who revealed the card must take a shot.

5s Every player must take a shot.

6s The player on the right of the player who revealed the card must take a shot.

7s The player must pick another player to battle. The loser becomes a member of *buddy gang*. The player is not allowed to battle a member of the *buddy gang*. If the player who revealed the card is a member of the *buddy gang* and win the battle, they transfer the membership status to the loser. Otherwise, they remain a member. Whenever a member of the *buddy gang* takes a shot, the other members must also take a shot.

8s The player may choose to take a 30-second break from the game which pauses all rules. They may also choose to ignore the pause and continue playing.

9s Whenever a player draws a nine, every player plays a minigame. The *No Pointing* rule as well as the effects of *Jack*, *Queen*, and *King* are suspended during a minigame.

10s The player who draws a ten must cover their face with baby powder.

Jacks The player becomes a *Jack*. Only one *Jack* may be active at a given moment. The *Jack* may touch their face. Other players must mimic the *Jack* exactly. The last player to do so must take a shot.

Queens The player becomes a *Queen*. Only one *Queen* may be active at a given moment. If a player respond to the *Queen* in any way, they must take a shot.

Kings The player becomes a *King*. Only one *King* may be active at a given moment. The *King* must play a role or a character. If the *King* breaks character, they must take a shot.

Aces The player must take a shot.

1.3 Minigames

Across 69 episodes, there have been multiple minigames for the 9s.

1.3.1 Aug 4, 2023 (Pilot)

This episode features only minigame for the 9s. That is, whenever a 9 is drawn, the same minigame is played. The minigame is played at at 9:04, 20:37, 21:59, and 24:32.

Word category: The player who draws the 9 pick a category of their choice and say a word in that category. The next player say a different word in that category. Repeat this process until someone repeats the same word or fail to say a word in time. That player takes a shot. The minigame is over when someone loses.

1.3.2 Oct 22, 2023

Same as pilot episode, **word category** (1.3.1) is played whenever a 9 is drawn. The minigame is played at 8:17, 9:24, 11:55, and 19:37.

1.3.3 Nov 5, 2023

In this episode, a different minigame is played whenever a 9 is drawn.

- **Bottle flip** at 5:25: Each player is instructed to flip a bottle one by one. Each player receives one chance. After everybody has made their attempt, the gamemaster revealed that whoever successfully flipped the bottle must take a shot.
- **Sing songs with a word** at 8:55: Each player must sing a song with the word 'if' in its lyrics. A player can make up a song but if they get caught, they lose. The loser must take a shot.
- **Connecting syllables** at 17:48: The player who draws the 9 says a 2-syllable word. The next player must say a different 2-syllable word that starts with the same sound as the final syllable of the previous word. For example, if the first word is 'icon', the next word must start with 'con.' If a player takes too long to response or repeats a word, they lose and must take a shot.
- **Sing songs with a word** at 19:21: The same rule from 1.3.3 applies except the word is changed to 'wake.'
